Re: Savino Del Bene France S.A.S. v. Pamplémousse Design Inc., 22-cv-01541 (LAP)

Dear Judge Preska:

Phillips Nizer LLP represents the defendant in the above-captioned action. At the initial conference for this case, held by Your Honor on April 26, 2022, the parties advised the Court that, to facilitate settlement discussions, counsel for the plaintiff would provide me with additional documentation to support the plaintiff's claims. Your Honor then directed the parties to file a joint letter by May 3, 2022 to advise the Court as to the parties' settlement positions and the status of the case.

On the night of April 26th, counsel for the plaintiff provided me with approximately 100 pages of documents. It will take some time to evaluate them and compare them with my client's records. Also, I learned yesterday that the defendant's principal is out of town this week with limited access to email and to her records.

Defendant submits this letter to request an extension of the parties' time to submit the joint letter to the Court to May 13, 2022. There have been no previous requests for an extension of time and counsel for the plaintiff consents to this request. There are no other scheduled dates in this case that would be affected by this extension.

SO ORDERED.

Dated: April 28, 2022
New York, New York

Respectfully submitted,

/s/ Leah Frankel
